# The Complete Package

Super Event is one of the few companies across the South-East able to provide a complete event solution.

A typical “complete package” for your wedding will include:

- Your complete marquee with dance floor, furniture, lighting, flooring, catering area, electric connections, mobile toilets and much more.
- Your complete catering package, to include all food, staff, crockery, cutlery, linen, glasses, fridges and cookers.
- Your complete drinks supply (or service of your own drinks), to include glasses, chilling equipment, staff and recycling.
- Complete setting up and clearance of the event.

We do it all!

You don't have the added complication of sourcing your marquee from one contractor, catering from a second and drinks from another – which can frequently results in problems.

Think about it and leave it all with us!
